For disabled people with a corresponding proof of classification, the competition regulations of the German Disabled Sports Association (DBS) also apply. Eligible to participate are members of clubs/starting communities that belong to a swimming association affiliated with the DSV and own the rights of the association. Only swimmers who are registered with the DSV and have paid the annual license fee are eligible to participate. This is to be assured with the notification according to § 15 Para. 1 WB. It is pointed out that children up to 10 years of age are limited to a maximum of 6 starts per day in accordance with Section 12 (2) WB-AT.  
The one-start-rules applies except for competitions 5, 6, 11, 12, 23, 24, 34, 36 and 37, here the two-start rule applies.  
Competitions 1, 2, 21 and 22 are limited to a maximum of 4 runs, with WK 1+2 being allowed to be swum with double lane occupancy.
2. The swimming pool is 50m long with 6 lanes, divided by wavebreaking ropes  
Water's temperature is about 24°C. Manual measuring will be in use.
3. The reports are to be sent on a registration list (e.g. DSV form 102), registration form (DSV form 101) and preferably as a current DSV file to:  
Markus Haasner, Dalmerweg 8, 59269 Beckum

Born 2004 and 2005 together as juniors  
Born 2003 and older together
8. In the individual competitions, places 1 - 3 will receive medals, certificates will be provided on request as certificates of participation. In the relays, places 1-3

receive a trophy. The squadrons WK 20+31+32 receive a small trophy for all four active players in a placement. The winner of the specialist ranking receives a trophy. There is a challenge cup for the best women's or men's ranking and the overall ranking. The SC Undine Beckum e.V. team does not take part in this cup ranking. This becomes a club's final ownership when they win three times in a row or five times.

#### Specialist Rating:

In the specialist classification, the times of the four 50m and four 100m routes are added up. For each distance of 50m or 100m, the specialist is determined for each class (born 2015, 14, 13+12, 11+10, 09+08, 07+06, 04+05, 03 and older).

The vintages 2015+2014 are evaluated individually and only the approved routes according to the DSV youth protection are evaluated.

The award ceremony is part of the competition, no awards will be sent later.

9. If the number of incoming registrations requires it, the organizer reserves the right to change the starting times. If necessary, these will be announced in the registration result.
10. The organizer and the city of Beckum assume no liability for theft, accidents or damage of any kind. The instructions of the pool staff must be followed. The club representatives have the duty of supervision for the club members.

On the lawn outside the pool area there is the possibility to set up tents for the night. A breakfast for the price of €4.00 per person can be organized for the overnight clubs. When reporting, the number of desired breakfasts must be specified. After the end of the first section, a supporting program will be offered by our youth representatives.

11. By handing in the registrations the club/team agrees with the rules of this invitation.
12. The registration result will be published promptly on the SC Undine Beckum homepage. After the event, the protocol will be made available for download as a DSV file and PDF file on the SC Undine Beckum homepage. **Paper copies** of the results only on request.

Our sales stands will again take care of your physical well-being during the event.
